To: All Presbytery Clerks
PRESBYTERIAN CHURCH OF EAST AFRICA

Dear Brethren,

RE: ANNUAL NATIONAL YOUTH CONFERENCE (Y-SUMMIT 2025)

Greetings in the name of our Lord Jesus Christ!

We are thrilled to extend a warm invitation to the youth of your Presbytery to participate in this year's **YSUMMIT**, a dynamic and transformative youth conference for the PCEA youth.

THEME: "YOUTH, A PROPHETIC PEOPLE", from our annual theme, *"Inspired to Speak - #God'sVoiceMyVoice"* (2Peter 1:21, Daniel 9:2).
DATE: 19th to 23rd August 2025
VENUE: Kabarak University, Nakuru West Presbytery, Nakuru County, Rift Valley Region.
CHARGES: KSHS. 5,500 per delegate. **Each Parish is expected to send a minimum of 10 delegates.**

Sponsoring delegates: we urge the Churches to consider all the following or any other method of sponsorship to allow as many youth to attend.

- Youth kitty
- LCC and Session sponsorship
- LCC and Parish groups sponsorship
- Full or partial self-sponsorship
- Able parents sponsoring their youth
- Well-wishers and friends of youth in the Churches

Under the theme, we will be learning how to hear God's heart for our time, speak truth with courage, live boldly and bring hope to a broken world yearning for truth – ***because the world needs youth voices.***

YSUMMIT'25 seeks to continually inspire our youth in holistic growth and service. Our premier destination for this year is **Kabarak University**, located along the Nakuru-Eldama Ravine road in Nakuru County, about 20 kilometers from Nakuru town, easily accessible by road.

The venue, tranquil and secure, offers state-of-the-art conference facilities, comprehensive guest full-board accommodation and catering services (delegates will not carry blankets, just personal effects), as well as extensive recreational spaces for games and team building. Housed within the Campus are two health facilities, a public and a private one. We will be collaborating with the University for any health needs.

YSUMMIT'25, as always, is a highly interactive, 3-stream conference (15-19; 20-25; 26-35) with age-relevant content prepared for each stream.

- Passionate teens and youth speakers and worship leaders who will challenge and encourage our youth to be a voice in their generation.
- Practical workshops to equip participants in their clusters with valuable skills for prophetic leadership, discipleship, and service.
- Partnerships with youth specialized organizations for specialized training
- Opportunity for youth to connect and fostering lasting friendships and networks.
- Balanced with spiritual growth, **YSUMMIT'25** will also have competitive sports, team-building and talent show to complete the learning experience.
- And of course, inspire academic minds within this atmosphere of educational excellence

We believe that **YSUMMIT'25** will be a pivotal event in the lives of our young people, empowering them to answer their prophetic calling in the church and the world. Kindly share this invitation with the youth leaders and youth members within your Presbytery. Further publicity information will be available on our website as well as social media pages soon.
